Machine Quilting Service Pricing

I have a pricing structure based on the complexity of the quilting which is requested and the size of the quilt top itself. The prices below are in New Zealand Dollars.

Calculating the size of the quilt top

I calculate the size of the quilt top by measuring the length and width of the quilt in meters and multiplying it to get a figure based on its square metre.

For example: The length of the top is 1.8m and the width is 1.2m.

Multiply 1.8 x 1.2 and you get a figure of 2.16 sq m.

Once the size of the quilt top is calculated then the cost of the quilting is going to be dependant on how complex you want the quilting design to be, based on the prices below:

Edge to Edge quilting (pantograph designs)	\$38 per square metre
Border with Edge to Edge Centre	\$45 per square metre
Basting eg joining quilt top, batting and backing together	\$18 per square metre
Binding & turning (machine sewn, customer to provide binding material)	\$10 per linear metre
Minimum charge (small quilts, wall hangings, table runners etc)	\$40 per item
Emergency Turn-around fee to jump ahead of other quilts already booked	\$50 per quilt
Backing Fabric: see my range available in the backing fabric section of this website	From \$15 per metre
Batting: see my range available in the batting section of this website	From \$10 per metre
Thread cost is included in the quilting cost. Optional Specialty threads can be supplied - just ask	Costed per quilt if requested
Return Shipping (sealed in plastic, inside a box or a satchel and couriered with signature required for delivery confirmation)	Cost will be advised

This all looks very complicated but it really isn't. However, I am happy to talk about it over the phone or by email if you would prefer.

PLEASE NOTE – *that due to a change in personal circumstances I am no longer able to accept Custom Quilting or Heirloom Quilting work.*

I will accept cash, personal or bank cheque and Direct Debit (or Internet payment) within New Zealand.

NB: These prices are as at November 2017 and are subject to change.
